TRADE MARK

Colleen Bawn Rock, in the Middle Lake, Killarney, is close to the Brickeen Bridge. Here it was, according to tradition, that the cruel Danny Mann flung the Colleen Bawn (the fair-haired girl) into the water. The rocks and headlands which abound at this part are the wildest and highest in the lakes.

Dearest

The holidays are over at last & I have spent a day in Bristol & one in returning. Auntie & uncle were very kind to me & they say I must come again & stay with them when I am down. I thought it was time to remind you I was still living & hope you had a good time. My holiday was very quiet but very enjoyable.

Dear Miss Wilson

Thank you very much for the pretty P.C. I hope the weather is better over there, than here. I don't think it has stopped raining all day. It is shocking weather, isn't it. not? I'm sorry you have had such bad weather while over there.
